BRIDES LOVE GLAMORAMA

“Vicky was fab. I wanted to feel and look like a princess on my wedding day and Vicky did just that for me. I would and I am using Vicky again to do my make up. I'm just really pleased I found her.” - Carolyn, July 2014

“The wonderful Glamorama was my make up artist at my wedding in November. We were all amazed at our transformations and everyone complimented on how beautiful the make up was. Only the best quality products were used and I could not fault the service one bit. Vicky is extremely talented and true professional. I could not recommended her enough and it will definitely not be the last time I use her services” - Katie, November 2013

“Thank you so much for doing our hair and make-up. It was a brilliant day and I felt wonderful! Everything went so smoothly and everyone had a great time.” - Charlotte S.,

May 2015

“I couldn't be more delighted in choosing Vicky to do the make-up and hair for my wedding. Myself and my bridesmaids felt (and looked!) a million dollars and we received so many compliments on the quality and long-lasting nature of the make up she used. Vicky's products were top quality and she spent a lot of time tailoring the make-up to suit me. Vicky herself was a pleasure to spend time with on my wedding day; a true professional, caring and fun! I cannot recommend her enough!” - Charlotte F., February 2015
